YASKAWA Europe GmbH
Hauptstraße 185

65760 Eschborn

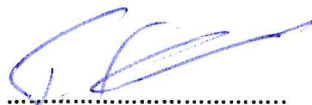

Subject: Supplier Certificate of compliance with the Directive 2011/65/EU (RoHS)

We, Heine Resistors GmbH, certify that the product [Steel grid resistor - STG (ds1000_ce02)], although this product is not covered by the scope of applicability of RoHS due to a statutory exemption, complies with the provisions of RoHS.

In particular, the product does not contain any components or substances banned by RoHS, nor the product infringes the substance thresholds set forth in RoHS.

The above information are based on the information available to us, which we have obtained and processed to the best of our knowledge and belief and which we update continually.

Sincerely,

Mr. Thomas Knothe
Quality Manager
